Customer Reviews

‘Recommended as a first reference book for the primary library or a fun book for children who love gobbling up facts.’ School Librarian
‘With its 400 colour pictures and confidently enthusiastic text, it makes a fine introduction to many of the mysteries for which children may seek explanations...there are images to make the eyes bulge and words to set the mind racing.’ Times Educational Supplement
--unknown --This text refers to an out of print or unavailable edition of this title.

Andrew Langley is an author of hundreds of children's books and has focused his writing on educational resources.
