## Customer Reviews

The experts at The Princeton Review have been helping students, parents, and educators achieve the best results at every stage of the education process since 1981. The Princeton Review has helped millions succeed on standardized tests, and provides expert advice and instruction to help parents, teachers, students, and schools navigate the complexities of school admission. In addition

to classroom courses in over 40 states and 20 countries, The Princeton Review also offers online and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help.

I've been really pleased with this book. The study tips are well-presented and easy to implement. Although I haven't taken the GRE yet, I'm feeling much more confident with this edition compared to other resources I've seen and worked through. Definitely worth it!

very pleased, great value for all you get Very compact, very easy to handle, and pretty! Works just fine. I really like this set up product design and functionality, it makes my life very easy and comfortable, I love it! Good quality. Great for holidays. Easy to use and store.
