Karen Eagle (Kansas City, MO) is the author of many cookbooks and has overseen the development and publication of thirty books produced from her publishing company, Pig Out Publications (and imprint Two Lane Press). She created the Cuisine series of cookbooks that featured the best recipes from restaurants in Kansas City, Memphis, Nashville, Dallas, San Antonio, and San Diego. She is also a cooking teacher, special events speaker, business owner, and food writer. She is a member of Les Dames d'Escoffier and the International Association of Culinary Professionals.

Bought as a gift for my brother who is an avid hunter and enjoys cooking. He raved about the book

and has tried many of the recipes. Bought a second one for another Hunter.

We got this book for my brother-in-law for Christmas because he's a big hunter, but not the greatest cook. He bagged two deer and a number of birds in the last year, but really didn't have any great recipes for cooking them. He loved the book and he made one of the venison recipes for New Years and it was amazing. It's got some great tips in there as well.

Lots of recipes to try.

Great recipes, lots of new and delicious ideas for wild game.

Mom will love this for Mother's day! Nice recipes, lovely photos, nothing that looks too 'artsy fartsy' for an old lady to prepare. Nice variety of recipes with common ingredients.

I purchased The Everything Wild Game Cookbook for my dad last Christmas. We eat a lot of wild game and are always looking for new recipes. This book has it all! Fish, deer, rabbit, fowl and tons more. It includes a variety of different dishes, techniques and several pictures that make this book perfect for beginners or master chefs! I would recommend this cookbook for anyone looking for great wild game recipes!

For the first time buying a Wild Game cook book, I was impressed! I like the variety and the tips and tricks included.

I got this as a Christmas gift for my son who loves to hunt and fish and wanted to find ways of cooking with out having to buy a bunch of ingredients he would only use once. This book has good recipes with common ingredience.
