SAT/PSAT Word Games

Synopsis

This is the ideal resource for students looking for a fun way to study for the SAT or PSAT. By completing a series of challenging word games, students can brush up on vocabulary skills and prepare for the Writing and Reading sections of these exams. This book has over 500 key test words and a variety of vocabulary-building activities, including: crossword puzzles, anagram magic squares, word scrambles, brainteasers, matching-column, hidden meaning puzzles.

Customer Reviews

This book is organized in an odd way. There are word games, sure, but where are the definitions of the words? On some other page. I couldn't figure out how to use this book in a meaningful study plan. Not filled with fun ways to learn, which is the only way to buy it. For example, the book may ask you to find as many words as possible in the word penury. But what does penury mean? Exercises could be better thought out.

My niece is great at math, but struggles with English. This book was one of many that we used to get her ready for the college entry tests. It's outlined and easy to follow.

This book is definately NOT just for those who are planning to take the SATs or PSATs. Everyone can benefit from this and have fun while improving your vocabulary. Keep these types of books coming!!
