Translating God: Hearing God's Voice For Yourself And The World Around You

Synopsis

Translating God serves as an inspirational guide book that puts God's great love back into prophetic ministry as a primary goal. A full of real life stories that articulate the culture of love behind God's heart for the prophetic. So much of the prophetic ministry is esoteric and a free for all in which people throw down the God card on anything they "feel," but this book brings balance without taking away the desire to see the powerful nature of God displayed. On top of that, it's biblically based and is supported by scripture throughout each story, driving home the book's message of activating the ability to hear God's voice for each reader. Through a thought-provoking prophetic ministry philosophy and Shawn's glorious successes and very real failures, you will be inspired and equipped to: learn how to hear God for yourself and others grow through simple focused steps, take great risks, stay accountable, love people well, grow in intimacy with the Lord. As an internationally known prophetic voice who has ministered to thousands from political leaders to those on the streets, Shawn shares everything he has learned about the prophetic in a way that is totally unique and refreshing. Shawn aims for the higher goal of loving people relationally, not just pursuing the gift or information, and he activates you to do the same. Start to reshape the world around you with God's love today.

I had a crazy experience while reading this book. So let's go on with this review by spitting it in topics. THIS BOOK SHOULD HAVE ANOTHER TITLE: "Translating God" is a fancy title. However ... "Digesting Prophetic Love" should be a more appropriated title for this book. I've never read a book talking so much about love and the prophetic like I've seen in this book. I won't give you any spoilers on the book, but it really changed my point of view on how I should deliver my prophecies to people. For many times while reading it, I got stuck at some phrases. Thinking that Love is the ultimate Power to be unleashed on the last days. Without Love, there's no power. Thanks Shawn THIS BOOK TEACHES YOU HOW TO USE THE PROPHETIC GIFTS (IN CASE YOU HAVE IT) Everybody can prophesy and I like the way this book encourages everyone to listen to God and hear His voice and the prophetic. This book is indeed for everyone. If you don't have the call to be a prophet but you still want to move in words of knowledge, read this book, it's going to help you. The book doesn't teach you how to use the prophetic gifts. But if you have the call to be a prophet, listen .. this book is A MUST READ. MY EXPERIENCE WITH THE BOOK: I went to the grocery to get some coffee samples and pumpkin cake samples (I'm coming through this season in my life that I'm broke and I have no money. I'm asking and praying to GOD for a breakthrough in my finances). I went there two times. Then I took notations inside of my car. I thought of going back to the grocery

to take even more samples. When I went there, I placed this book on the counter and a guy spoke on my ears: "WOW, This book has a nice cover. And It has a nice title". I then shared with him about the book. In the middle of the conversation, The Holy Spirit spoke to me. He said, Give this book to this man. Give this book to this man now. You are going to be responsible for a revolution. Then I told the man: Listen, I bought this book to give to a friend of mine as a present, now in this weekend. So I thought it wouldn't hurt to read his book till Saturday and that's why I have it on my hands now on Wednesday (it had happened on a Wednesday). I started reading the book tuesday evening around 11 p.m and now is 12 p.m and I'm already on the half of the book. But God just spoke to me and He's telling me to give this book to you. The guy goes like: "WOW !!!!! ARE YOU SERIOUS? ?!?!?" I said: HECK YEAH MAN! Take it ! It's yours now!! He goes like: "Young man! I'm a local pastor in this region and just now I started to launch a church with the direction of the Holy Spirit. I'm craving revival and the supernatural and I have been praying to God for something new. This book now is pretty handy! Thank you so much!!" "WOW !!! I GOT SUPER EXCITED !!! didn't even know that that guy was a pastor and anything like that!! My suggestion ? Don't only buy this book and read it. Practice what you read. Fast. Pray and go to the grocery and move in the Spirit!!! Blessings yall !! :)

I am a pastor in Albuquerque New Mexico. I truly can count on my hands the amount of books I've ever read. The book arrived yesterday and I finished it today. The Spirit of God consume me with his love while reading this book. I was actually sad when I got done with it because of the enjoyment I had while reading it. I would recommend it for anybody so they can see the heart of God. Great job by Shawn Bolz. Claudia Baca-Moore

You must read this. The end ... But for real! Have you ever wondered what God's thoughts and feel in are toward you? Read the book. This amazingly humble man gets in depth words from God, about people's names, kids, etc. And carries an amazing message about the love God has for us. Please get the book. Think you already know all the stuff? How to hear from God? Buy this and I promise you will grow in the prophetic.

"Translating God" was an inspiring and encouraging read that motivated me to keep "striving to excel" in spiritual gifts. The teaching on how to test and treat prophecy gives a healthy perspective that helps the church to avoid so much abuse. As a missionary encouraging the church to grow in spiritual gifts, this book is inspiring my teaching about prophecy and words of knowledge. Prophecy

is about seeing people through God's eyes of love, we're growing in it, and it's OK to miss it with our information as we grow! I've been focusing a lot on always seeing what God is doing and honoring it. Whatever God is doing is greater and worthy of more attention than what the devil is doing, so that's what deserves my attention. "Translating God" inspires the reader to participate in God's heart of love even for people who are wicked and whom we might have a hard time seeing good in from a natural perspective. This goes right along with the truths God has been emphasizing to me in the past year. Highly recommended!

"Translating God" literally rocked my world. To be honest, while reading this book, I laughed, I cried, and I fumed. There is no doubt Shawn was led by Holy Spirit as he penned these pages. In the book, Shawn takes a common sense and humorous approach which makes the topic understandable. However, this book also challenges the reader to evaluate his/her personal journey in the prophetic. Shawn's honesty and transparency causes the reader to self-reflect while at the same time encourages the reader to seek a closer personal relationship with Jesus. I highly recommend and encourage anyone who desires to hear from God on a higher level or any one in any aspect of ministry to read this book. This book will speak to you. It will challenge you. You will find simple yet profound truths within its pages. In fact, "Translating God" is a MUST READ for anyone who operates in the prophetic or ministry. It is one of the most practical books written on the prophetic that I have read to date. Simply stated: This book has changed my life. It will change yours, too.

This is an amazing book! It has transformed my husband's life. Where before he wasn't too sure about operating in this gift of the Spirit, he now embraces it with all his heart. Shawn shows God's heart in wanting to speak to and impact lives with His love. I highly recommend this book!
