The Denver Post is a daily newspaper published in Denver, Colorado, since 1892.

Kudo's to the Denver Post for this great conversation piece! The cover picture of Todd Helton celebrating the Rockies clinching the MLB National League Championship at Coor Field (with Eric Byrnes eating the dust... and his words, flat on his face at first base) is worth the price alone. It captures the magic of going 13-1 to end the regular season, followed by a 7-0 entry into the playoffs... definitely a magical season... and all captured here. Yes, kudos to the Red Sox and their faithful fans, who swept the Sox in the Fall Classic, and that is captured in this book as well... but the focus is on how a team in 4th place in their own division as late as September 16th, 2007... made a solid run of the ages to capture the imagination of sports lovers everywhere. Great book, great pictures, and a great documentary of the events by the Post staff as the unbelievable events unfolded.
