Customer Reviews

This book has all of the songs from the movie. The melodies are fun and easy to pick out on the piano. Playing full chords and melody is a challenge for me (I'm low level intermediate player), but it's worth the effort. I love the movie and the songs, and would definitely recommend this book to anyone that does, too. About the seller, Total Music Source. I received the order confirmation from at 7:59AM, and received the "order has been shipped" email from Total Music Source 46 minutes later at 8:45AM. 3 days later it was in my mailbox, and that was with standard shipping. Book was in perfect condition. I give Total Music Source 5 stars and will definitely buy from them again!

I simply love this, and it's helping with my audition.

What's not to Love!

Perfect for anyone who wants to play the songs on piano or keyboard, or who wants to belt out the

tunes.

Love this!

Good sheet music, but missing a lot of songs from the movie. Easy to play, but meaty enough for rehearsals.

Quality wasn't as great as described plus there were some things written that should have been replaced. Overall pretty good.

this is an awesome musical. This musical got my daughter into musical theater. a personal favorite!! you should get it!!
