Hirohiko Araki made his manga debut in 1981 with the Wild West story *Busōfū*. He experimented with several genres, including mystery (*Mashonon B.T.*) and action-horror (*Baoh*), before beginning *JoJo's Bizarre Adventure* in 1986. Propelled by imaginative storylines, weird imagery and individualistic artwork, *JoJo's Bizarre Adventure* is one of the longest-running and most popular shonen manga ever. Araki's current works include a new series set in the *JoJo* universe, *JoJolion*.

I pre-ordered this and it came to my house the very next day! I watched all the *JoJo* anime and have been trying to catch up on the manga when I found these BEAUTIFUL hard covered editions. I am SO happy with them. I now own all of *Phantom Blood* and the two volumes of *Battle Tendency* that are currently available. These editions have many colored pages and interviews with Hirohiko

throughout the volume, which I absolutely love. They also have character biographies and the new artwork on the front and back covers. If you are a fan of JoJo these are definitely worth your time and money.

This definitely jumps into action and starts the arc off right away. Also Nazis. Also Coca Cola gets product placement kind of.

I'm really happy that these books get a very nice-looking hardcover release. Part 1 and 2 are easily my favorite so far from what I've seen (part 3 is a little too formulaic for my taste). It's like all of the other books and it's great to be getting some love for Jojo's after all this time.

I have the kindle version and its wonderful to read! The story is great and a classic! This is my favorite way to read manga and these big novels are great for binge reading

No complaints. Came in pristine condition. I always look forward to receiving one of these books and it always makes me happy

My son really enjoyed it.

This was a gift and it was very well received.

Amazing! My boyfriend and I are huge fans of Jojo's and he absoulutely LOVES this volume.
