Bible puzzles are a great way to pass time while learning scripture and here is a collection of almost 50 large print crosswords sure to satisfy the passionate Bible crossword fan. With clues drawn from the breadth and width of scripture, Bible Crosswords Large Print is based on the King James Version.

I bought this as a Secret Sister gift for one of the older members of our church. I was able to look through it once it arrived and I liked the fact that it was large print in the clues and the puzzles. I know this is such a great gift for those who like to keep their minds occupied and exercised with thinking about the things of the Bible.

I am somewhat disappointed in this crosswords book. I don't know what version of the Bible is used

in these crosswords. I have several different translations of the Bible and can't find the exact word that the crosswords are calling for.

I bought this book for my 86-year-old mom who is not as active as she once was, but still likes to stay busy. She loved it! The answers in the back helped her when she was "stumped". She's finished it and ready for another. She liked the Bible references.

Got this for my mom as "just a present". She loves it! Some are easy, some are not. Some they have to look up in the Bible. Great affordable Christian gift for any reason.

My mother is 90 and needs good projects. These have been a blessing for her.

Every informative and fun. I always learn so much about the Bible when I do these Bible crosswords.

My husband's sister loves to do the religious puzzles. Wish there were more in the large print !

Only some of the puzzles refer to the Bible. It's also full of general information non biblical in nature.
