# Home: Civilian New Zealanders Remember The Second World War

**HOME**

ALISON PARR

## Synopsis

Women and men remember, with disarming honesty, the experiences that unfolded for them, including chronic uncertainty, the fear of enemy invasion, the deprivations that came with rationing, and the intensity of wartime romantic relationships. Based on frank, in-depth interviews, *Home* reveals the reality of civilian wartime life in New Zealand during the watershed years from 1939 to 1945.
