Customer Reviews

The electronic version of the 1928 Book of Common Prayer can't take the place of a real prayerbook in my daily devotions at home or in services at church, but it does allow me to lighten my load when traveling. Without a Kindle, I needed an extra briefcase or bookbag to hold my prayerbook, my Bible, and my pleasure reading. I downloaded a free ESV edition of the Bible, I downloaded a free edition of a devotional I use daily, and I think I got my money's worth with the e-prayerbook. It's true that the contents page is not linked, but it's a simple matter to bookmark it as well as the tables for the daily readings and the collects, psalms and lessons for the season. If you want it to replace a real prayerbook during services, think again. It just isn't possible to flip back and forth between the service, the collects, the lessons, the psalms, the prayers, etc., as quickly as those who are using paper prayerbooks, and you are likely to be frustrated trying. The digital edition is best for private, personal use.

It's all there, but hard to find. This was one of the first books I bought with my Kindle, but I found that reference books that are not meant to be read pages in sequence cover to cover, do not lend themselves to this format. I would like to have had a searchable index in order to key into specific

rites and prayers. Even a page reference from the paper version would have been good.

I guess I missed the part that said "this isn't for you...". I too wanted the American book and, further, one whose print is readable not microscopic!. This book will be donated to a paperback exchange since I missed the deadline to return it.

A magnificent and brilliantly written novel by one of our greatest living writers. Ms Didion uses words like no other writer and strikes every emotional chord in a unique and compelling way. She draws us into her characters' worlds and perspectives. The book is so cinematic, I don't know why it hasn't been adapted for the screen yet - it would be an amazing film

It was all I expected. Another plus was how well the contents were grouped for easy access.

Classic, not the current edition used in the US (pre-RCL/1979) but a very good edition and always nice to have something like this from the past (especially at the reduced pricing for used items in older versions). The imitation leather feels real and wears great (as far as I can tell - got a used model that seems 10+ years old..the binding and cover are 'like new' - no defects on the book I received).

It has been a great help in my spiritual life, I would recommend every new Episcopalian or Anglican to take advantage of this book. It has daily prayers and daily Psalms for someone to read and feel in touch with the Church and with God. It also comes in a very classy backing which makes an excellent addition to one's nightstand.

The 1928 edition of the Book of Common Prayer retains the focus without the hijacking of the book by those who would "modernize" it and make it more "inclusive" and politically correct. This is the edition that the Continuing Episcopal Church retained at their formation. As a Benedictine Oblate I appreciate it for its arrangement of the Psalms in daily readings for Morning Prayer and Evening Prayer. When following this guide to the Psalms, the reader goes through all 150 Psalms in a month. The Psalms have become my own prayer - they are ever new and ever relevant to the life of Believers.
