The Insider's Newport Guide - A Quick Guide To Newport, RI

Synopsis

BESTSELLER! Do you want to really enjoy your Newport Vacation? Chock full of helpful inside tips and photos, **THE INSIDER'S NEWPORT GUIDE** has clickable hyperlinks to local information and businesses, the lowdown on parking and restrooms, as well as information about:

--Restaurant-Beaches-Shopping-Attractions-Lodging
Visitors using the Guide will find their time is well spent in Newport--it simplifies navigation and clearly shows the options available in the different sections of the city. The book contains a link to a frequently updated FaceBook page, to keep readers informed about important news and the many events and festivals going on in the City-by-the Sea. Written by longtime Newport resident Melissa Martin-Ellis, author of *The Everything Guide to Photography*, the guide has over 80 color photos.

Customer Reviews

Decent Kindle guide to Newport, though the maps are useless in the Kindle version. Stop at the Visitor's center on your way into town - like this guide advises - for a good map. And do the trolley

tour and the Cliff Walk - highlights of the trip.

Very good book for getting to know the area quickly. Full of insider tips on getting around in the height of the tourist season. Would highly recommend this as a reference guide for those who love Newport.

Good book. Was very useful when I visited Newport for the first time. Just wish it had more guide information. It can be more like a Newport phone book than a guide to the town.

Whether you are looking to stay in New England or take a day trip, you will be well advised to check out beforehand Melissa Martin-Ellis' comprehensive and beautifully evocative guide to Newport. Famous for its folk and jazz festivals, Newport hosts innumerable other attractions, not the least of which are exquisite scenery, peaceful beaches, spacious parks, engrossing museums, shops and restaurants for all tastes, and grand architecture in the form of colonial and "robber baron" residences. Perhaps the most alluring tourist destination is Bellevue Avenue, a two-and-a-half mile stretch of spectacular mansions, several owned by the phenomenally rich Vanderbilt family. More than a catalog of amenities and sights, this guide begins at the beginning with the visitor's entry into Newport, preferably with an initial stop at the Visitors' Center (with pamphlets and maps in plain view), and ends with a complete list of available accommodations. Moreover, "The Insider's Newport Guide" allows you to plan your entire vacation and compute your likely expenses before your tires ever hit Newport's roads. Because this guide is written by an "insider," you are also warned in advance of difficult traffic patterns and parking availability and cost. Complete with photographs and maps (which, unfortunately, are not particularly clear on my screen), this guide eliminates all the usual hassles of navigating through a heretofore unknown town and anticipates a visitor's every need. I know this because I read Ms. Martin-Ellis' guide before my husband and I visited.

A book packed with great information. Insight you can only get from someone who lives there. .

Hands down the most enjoyable and complete touring guides to one of New England's oldest towns I have ever seen!
