Taking Her Dog's Bone: Shemale Dog Shifter 1 (First Time, Paranormal, Taboo, Lesbian, Transgender, Erotica)

Synopsis

When Nicole went out and bought a dog, she got a surprise to learn that "Daisy" was actually male. When night came, she got an even bigger surprise when her new pet transformed into a young, sexy woman! Daisy acted very much like a dog even in human form, but then the biggest surprise of the night came when the hot, innocent shifter had a VERY BIG secret between her human legs. Will Nicole be able to control her lust over her transformed pet's succulent body, or will she give them a thorough, hands-on lesson in mating? This 4800 word erotica short contains female on shemale, shemale on female, dog shifter, oral, first time, creampie.
