Travel The World Without Worries: An Inspirational Guide To Budget Travel

Synopsis

Planning a big trip abroad can be an overwhelming task, but this book makes it easy with in-depth advice that helps you properly plan, pack and prepare—so that you can travel anywhere with confidence. Whether you're going away for 3 weeks, 3 months or even a year, *Travel the World Without Worries* will act as your trusted guide and friend through the entire process.

I've traveled to over 50 countries and want to share what I learned with you. I'll put your mind at ease with honest advice and relatable anecdotes, giving you a sense of what it's actually like. You'll learn the pros and cons of different travel styles and destinations, how to fund your travels and save on expenses, and how to avoid common pitfalls in your planning phase. The book also prepares you for any social, cultural or personal challenges you might face on the road. By the end, you'll be armed with all the tips and knowledge you need to fully enjoy the trip of a lifetime! Topics include:

- Creating a realistic travel plan
- Budgeting and funding your trip
- Packing the smart way (and what to leave at home)
- Dealing with visas, currencies, insurance, travel health, and more
- Saving money on airfare, accommodation, and local tours
- Travelling solo or together
- Overcoming cultural and language barriers
- Enriching your trip with authentic experiences
- Dealing with travel adversities (and staying out of trouble!)
- Improvising & managing your day-to-day decisions
- And much, much more!

Get your copy today and get ready to travel the world!

Customer Reviews

Marek Bron has spent over 800 days travelling, covering 45 countries in Europe, Asia and Latin America. He has moved around the globe by foot, propellor plane, tuk-tuk, taxi, banka, jeepney,

mule, horse, quad bike, bus, bicycle, tricycle, speedboat, catamaran and hot air balloon. You can follow his adventures at www.indietraveller.co

I bought this book because I'm about to go to the Philippines work for a few weeks. Most of my trip will be somewhat structured, but I've extended it for a couple of weeks so I can do whatever I decide I want to do. My backpacking experience is pretty much limited to weekend trips with the Boy Scouts and a guided trek in Peru. Even though the time on my own will be relatively brief, it's scary and exciting to consider being totally on my own on the other side of the world. After reading through Marek Bron's blog I thought this book would be a good reference to help me prepare for my trip. I thoroughly enjoyed his writing style and found the information provided throughout the book very useful. I'm sure I will refer to it many times in the weeks to come.

I've read several books and blogs about backpacking and I have to say that this is the best. Not only does it give very good instructions on how to travel smartly using minimal budget (avoiding tourist prices and living like a local) it gives excellent advice on how to make the most out of every experience. From making friends at hostels, travelling solo, as a couple or as a group, what to do before leaving and how to adjust when coming home, this book has got everything you need to get started. If you are going to read one book about backpacking/traveling, make sure it's this one.

I loved this book. I've hi-lited so many paragraphs, WEB sites and tips. His style of writing is first class. Everything I wanted to know about long trips is covered in this book. He understands rookie travellers and their fears and puts them at ease so effectively. THANK YOU

I'm planning my first trip and this book made me feel more confident that I'm not forgetting anything major. I think I'll be able to avoid some unpleasantness. I'll let you know when I return.

Reassuring, inspiring, and specific.

Great Book! Learning a lot and it is helping me prepare for my 8 week journey to Indonesia.

This book gives you really great ideas on how to travel. Still reading it and will probably read it many times as well as refer it to friends and family.

This book covered all the topics I was curious about and gave me a good foundation on a lot of the aspects regarding travels
