Community Health Nursing: Alliance For Health

Synopsis

Written in an accessible, user-friendly, and practical style, this text provides a focused and highly engaging introduction to community health nursing. It focuses on health care for people in their homes and where they live with an overriding emphasis on care of the client in the community, and the business and politics of community health nursing. *Incorporates information on public health nurses, community health nurses and the visiting nurse *Includes guiding principles for nursing in the community, interdisciplinary communication, community-based needs of clients, systems of care management, resource allocation in the community, and project management *Covers important community health topics, such as homelessness and vulnerable populations, and interstate, international, and global health concerns *Includes Instructor Resources, such as PowerPoint Presentations and a Test Bank

Customer Reviews

Just get it. You know you need it.

This book is very well organized and useful for the Community Health Nursing Class

Fast shipping, amazing price!

Just as described

The book was in excellent condition.

Much easier to read than other community health books with good examples and outlines of important words/'terms on the side of pages.

Not the most interesting book but not too bad
