Hoop Rat (Sports Illustrated Kids Graphic Novels)

Synopsis

Trey McTiernan, the Spartans' team captain, becomes fast friends with Griffin Henshaw, the newest member of their squad. The problem is, Griff used to play for the Spartans' biggest rivals, the Goliaths, and the rest of the Spartans' think he's a rat. So, Trey's teammates set a trap for Griff to see where his loyalties lie -- and they ask Trey to be the bait! Trey doesn't know what to do. If his teammates are right, then betraying his friendship with Griff will save their season. But if they're wrong, then Trey will end up being the rat . . .

Customer Reviews

My 10 year old loved this book! He wants to order the others that are put out by SI now. I always love finding a new book to keep him interested in reading!

No story at all.

I work in a library and this series of books is extremely popular with the 3rd-5th graders (girls, too!) It

arrived on time and in good shape.
