A good resource to have

We love our pie irons and can't wait to try out these recipes next week while we camp.

I bought this for a gift for my Grandson and his wife. They are just starting to go camping and both were looking forward to us some of the recipes in the book.

it is awesome

I got this cookbook because I love the pie irons and enjoy the great recipes in another book I got. If you enjoy great cooking in the great outdoors then this book is right for you. Thank you and enjoy your day

No pictures. Never would of ordered if i had known that.

I'm new to pie iron cooking, so it was fun to see all of this author's different ideas. She also gives some great tips.

This cookbook has zero pictures, and is about 10 pages long. Who makes a cookbook with no pictures??
