Butterflies Of The World

Synopsis

Their bright hues and delicate shapes have inspired artists and made them a universal object of attraction. This uniquely personal treatment of butterfly behavior and habitat includes a variety of visually stunning photographs -- all taken in the wild and none of which ever appeared before in print.

Customer Reviews

Rod and Ken Preston-Mafham are experienced writers and photographers of the living world. Their expertise is evident in their other titles in the series, in their dual role as authors and as photographers for Premaphotos Wildlife, one of the United Kingdom's leading natural history photographic libraries. --This text refers to the Hardcover edition.

If you want to learn about butterflies this is really a good book. It tell all about there life from beginning to end. This isa great book for learning about all the different butterflies.
