Lives Of The Saints: For Everyday In The Year

Synopsis

Butler's Lives of the Saints is the most revered Catholic book after the Bible, the Missal and The Imitation of Christ. A Saint or two for each day of the calendar. Great for a daily meditation; each life is followed by a "lesson" from the life to help us apply the virtues of the Saint to ourselves. Great for the entire family. Includes famous Saints since Fr. Butler's time; all recounted in the same beautiful, reverent spirit that was his. Impr. 463 pgs, PB

Customer Reviews

The Rev. Father Alban Butler was born in 1710 at Appletree, England. While still a youth, he was received into the English College of Douai, Flanders and subsequently ordained a priest in 1735. His Lives of the Saints, originally titled Lives of the Fathers, Martyrs and Principal Saints, was the fruit of about thirty years' research and work. Additionally, he was a persevering, diligent, and hard-working priest who included biographies of over 1,600 saints in his aforementioned literary effort. Father Butler's Lives of the Saints was also printed by TAN in 1995 with the Nihil Obstat and Imprimatur. He died on May 15, 1763.

Beautiful little book...rich in religious history. Easy read. Well written.

This book was given as a gift. Since it was an unexpected gift with no special occasion attached to it, it was received with delight. Nevertheless, the book is found to be most satisfactory with the

helpful suggestions for daily meditations. Since I did not see the book (the gift was to an address some distance from me), I can only go by the words of gratitude from the person to whom I gave it.

I bought this book back in 2011 and have read it every day for the last couple of years. This book has brought me closer to God through the Saints. This is the real book. The earliest copyright is 1878. This is a wonderful book written indeed by Father Alban Butler. The reflections alone are worth reading. Only the Saints on pages 393-422 were not written by Father Butler because they became Saints after his death. I really loved reading this book and I highly recommend it. Don't buy the updated version this is the only one you need!

Not as detailed as I thought it would be but still very interesting to read about Saints that are not to well known. The daily inspirations at the end of each bio are really nice.

Great resource.

What a wonderful book. Easy way to read the Saint of the day. You get about a page on each Saint.

This book has been around for years and is still one of the best resources for the lives of the saints.

continue to use it everyday...very interesting....was not aware of all these saints
