Never Chase Men Again: 38 Dating Secrets To Get The Guy, Keep Him Interested, And Prevent Dead-End Relationships

Synopsis

If a man doesn't take you seriously, he may feel compelled to have a good time with you. Unfortunately this good time will last until you finally realize you're being taken for a ride or until Mr. Time Waster ultimately moves on to a woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. This audiobook was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore her value as a romantic partner. Inside it you'll discover the timeless seduction secrets and dating rules to help you avoid the dating mistakes that could make a woman appear desperate, needy, commonplace, or even unqualified for a serious commitment to a great guy. In this audiobook, you're going to learn: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that causes high-quality men to stop pursuing a woman almost INSTANTLY. How to rebuff undesirable male behavior and get the guy you want to either take you seriously or take a HIKE! A simple ego-popping phrase that burns into a man's memory, keeps you STUCK on his mind, and makes him DESPERATE to see you again. How to seduce a man and MELT his heart by overwhelming him with the ONE THING only the RIGHT woman can give him. And much, much more... Get started now, and discover how to get the guy and keep him interested in you without playing games.

Customer Reviews

I love how the author gives simple but powerful guidelines on how we need to respect ourselves no matter what. I just broke up with a boyfriend that was all that...handsome, tall, smart, successful, but he was not reciprocating all that I was giving (more than him) so thanks to the advice of this book, I pulled the plug. As Painful as it is, is also empowering because I and only myself decide the kind of relationship I want and I know I deserve unconditional love. Not making excuses because he is handsome and smart and phDoctor all that. He is not treating me right, his mediocre, half butt efforts are not enough...he got kicked to the curb. It hurts but it would hurt more staying with someone undeserving. Thanks to the author for opening my eyes.

If ONLY this book had been available in my 20's, it would have saved me a boat load of misery. Still, at my moderate age of 58 (chuckles), it provided me information that I had never before contemplated or realized. It is very informative and highly educational. I would recommend this book to ALL high school senior girls. It will give them incredible insight on how to select the men who will be a part of their lives.

I LOVED this book. It allowed me to remind myself to focus on what I CAN control - ME, not him. It was also a great reminder to not compromise what I want and settle!!!! Love it!

I found this to be pretty good information delivered in a succinct and understanding way. It was helpful

Great book! Easy to read! I will recommend to my friends and family members. Received many helpful advice to avoid men that are not meant for me.

Its really nothing new in this book I didn't hear from my elders. But you know being young don't want to listen and trying to show you're "feelings". This book makes perfect since if you're willing to apply it.

This book is on point. A must read for every single girl out there looking for a high quality man.

Wow! What an insight and invaluable information. Thank you Mr. Bryans for helping us a little here and sharing your experience and knowledge!
