Lucky (The Puppy Place #15)

Synopsis

Charles faces a super-sized challenge when torrential rain and an injured pup take his camping trip by storm! Can they bring each other any luck? Charles and his shy new friend David are camping out in the backyard when a big storm blows in. They make a dash for the house-but not before Charles sees a pair of eyes glowing in the night. Was that a puppy out there, all alone in the storm? The next day, Charles and David find the stray, injured mixed-breed puppy, win his trust, and get him to the vet. He's very sick, and the vet is not sure she can save him. Will this Benji look-alike be lucky enough to survive and find a home?

Satisfied

I enjoyed this book very much but I don't think it was as good as all the rest of the puppy place books that I have read. I was more confused in the beginning than in the other books. Though it was a great book as I read on but the end was a little bit too sudden. I liked this book very much and I can't wait to read more puppy place books.

I really really enjoyed this book it had everything I like and it got me reading this great great series.

i think the book is fun. it is a great book i think it deserves an award. it is a good story

The Puppy Place is a cute series which allows young readers to learn about different breeds and responsibilities in puppy/dog ownership!

If you love dogs you will like this book, I have a yorkie and read just about everything that has a yorkie on it or about a yorkie. The book is for younger kids but I believe older kids would enjoy it also.

Love the series and it keeps the kids reading which is very important in this age of electronic devices. Reading is falling by the wayside which can't happen to our children. These books hold their interest.

The girls had this book on their list of books they wanted for Christmas. They are reading every day which is a good thing. When a book holds their attention over TV and electronic toys, it is a good book!
