Customer Reviews

Exactly what I was looking for but missing some major roads. HUGE map though.

It was nice to have on my road trip across the states, but it was sometimes difficult to read because of the tiny font. It looks nice and I'll be framing it to put my road trip on my wall.

Perfect Size ! If your going on a road trip buy this!!! Having a map in hand made me feel way more comfortable on the road. Even having a map in your car is a good idea. It small enough to not take up much space but its big enough that you see some smaller roads

Came red and sticky. Not usable.

Good

Great map!

Great resource for the price

A good old fashioned map
