LARGE PRINT EDITION Authorized King James Version Holy Bible: Old Testament & New Testament (ILLUSTRATED)

Synopsis

ILLUSTRATED VERSION:Contains 10 illustrations depicting key characters from both the Old and New Testaments of the Bible including* Abraham* Isaac* Mary* Jesus Christ* St. Peter* St.

Paul
OVERVIEWThis volume contains the first and currently only **LARGE PRINT** Kindle edition of the authorized King James Version (KJV) Holy Bible. 1) This Bible for the Kindle contains the complete and unabridged Old and New Testaments.2) This Bible further benefits from a fully interactive Table of Contents which allow users to select specific books AND chapters in BOTH the Old and New Testaments. 3) This Bible also benefits from Kindle Text-to-Speech Audiobook technology, WHICH CAN "READ" each book, chapter and verse of the Bible OUT LOUD along with the corresponding specific verse numbers.

PRODUCT DESCRIPTIONThe King James Bible has been the most widely known and quoted version of the Bible for over three centuries, and has shaped both Western culture and the English language. The Authorized King James Version Holy Bible for Kindle Edition offers readers the full, unabridged text of the King James Version in an exceptionally clear, **LARGE PRINT** and readable type in a single, easy-to-carry download. This classic King James Bible is now available as a fully Authorized Kindle **LARGE PRINT** edition. The Kindle enabled features make it a handy buy for anyone who wants an easily readable type, but not a Bible that is too heavy or bulky to carry. The Authorized Kindle edition comes with MasterLink technology and a fully interactive table of contents. Masterfully edited with a facsimile illustration of the original opening page of the King James Version, the economical price of this Authorized King James Version Holy Bible for Kindle represents truly exceptional value.

Customer Reviews

I love the product because I am Hebrew by bloodline and the kjv 1611 w/apocrypha is the closest thing to undefiled Hebrew history in this age. Now Im trying to get my hands on a copy of Russian Icons by Vladimir Ivanov, but with a hefty price tag of about \$1000, I will probably have to team up with my squad to purchase it. Its funny how Esau/Amalek made the book just out of reach of the poor Israelites. Oh well.

I give this bible 5 stars cause it exposes that the bible has been tampered with... All bible believers must have this bible in their collection...

I really love the red letter bible. I have a friend and brother in arms who is a polyglot, and whose first language is Greek. He is also an ordained minister. As a result I consider the KJV to be, hands down, the best translation in English, though the word Aeon/Aeonic/Aionos in Greek should read "Very long time" (more years than can be counted in numbers) or "An age." The Geneva 1560 is

another close rendition which captures the original Greek, but the archaic style of English is difficult to read, so I prefer the KJV. I would also recommend The Apocrypha ISBN 0521506743 for your scripture case.

We have maybe 30 bibles in print that we have accumulated over the years. The oldest was printed in 1871 in Scotland and is huge. We have several translations but I was raised with the KJV so I am more comfortable with it although sometimes it helps using several translations to get the most accurate interpretation of a verse or passage. Often when conversing on-line with friends and acquaintances, I need to look up a verse and having the Scriptures on my laptop is great. I have it on a reader but sometimes my wife has the reader and I don't know where it is. I'd recommend this product to anyone wanting the KJV on their PC, laptop or reader. It appears to be one of the most popular versions at the moment and it works for me. I found the PC Kindle download program for free so this is a no brainer when considering the purchase.

It's been interesting to learn about the word of God/Jesus. I'll give it four stars since the KJV can be hard to understand sometimes. But overall it's worth getting looking into.

I have long used the Nelson New King James Version of the Bible for study at home, but carrying it back & forth to church, along with the other various paraphernalia of a Sunday School teacher & leader of other activities in the church, was just too much. When I obtained my Kindle Paperwhite, I thought this would be a great way to have the same Bible but without the weight. It's okay to look up scriptures at church, but I really miss the great commentary that is in the printed version. It is also incredibly frustrating at times trying to look up a verse when the only search options are page # or location #. You don't search a Bible that way; you need the book, chapter & verse #. For just reading (& slow look-up), it's fine; for study, stick to the printed copy.

Navigation works well in all of the books except for the book of Psalm. It starts at Psalm 1 and you have to manually scroll through all of the pages to get to whatever Psalm you want next (if you need Psalm 66 next, good luck). If that doesn't bother you, I highly recommend you purchase it. You just won't be able to keep up in church when asked to turn to Psalm 100,

ÃfÃ Ã ÅÃ ÆœÃ ÂªÃfÃ Ã ÅÃ ÆœÃ â -lol.

Like the book & verse search option, but on my Fire HD it still takes a long time just to get to one

result. However, the best thing about the optimization for kindle feature is that every verse number in the whole bible is preceded with the Book name and Chapter number, so I always know where I am when reading and the next time I pick it back up to read more.
