K Is For Knifeball: An Alphabet Of Terrible Advice

Synopsis

From the authors of the breakout bestseller *All my friends are dead*. (more than 175,000 copies sold) and in the humorous vein of *Go the F**k to Sleep* comes a laugh-out-loud collection of bad advice that turns the children's alphabet book on its head. Adorable illustrated characters lead readers down a path of poor decision-making, and alphabetical, rhyming couplets offer terrible life lessons in which O is for opening things with your teeth, F is for setting Daddy's wallet on fire, and R is for Raccoon (but definitely not for rabies). With plenty of playfully disastrous choices lurking around every corner, this compendium of black humor may be terrible for actual children, but it's perfect for the common-senseless child in all adults.

"...great fun for adults. The humorous illustrations, done in the style common in kids books, greatly add to the fun." Geek Alerts "The co-authors of the darkly funny animated stories "All my friends are dead" have done it again with this parody children's book, capturing the hilarious essence of their debut novels." -Cool Hunting

Perfect! I love it! Just what I wanted! Arrived on time & exactly as described. HILARIOUS! (If you're a fan of dark humor & know how to take a joke, that is) lol.

Don't let the cartoon on the front fool you, not for kids. Though....I may read it to my future niece/nephew when they are old enough. I laughed all the way through.

I bought this book for my sister, who is expecting her first child in a few months. She read a few passages, and was laughing so hard, she was almost in tears. This is a good book for people who appreciate really dumb, bad humor, and who have or are expecting children.

Very funny tongue in cheek kids book. Probably better for a silly ten year old boy. Not my infant girl, but I bought it for my dad-books-to-read-to-my-kid collection.

It was just ok. I was hoping to laugh out loud

It is a VERY quick read and funny at points. It was worth the 99 cents I paid for it.

It had some funny pages, but it was drawn out and eventually I felt like...when is this over. Then when you finish the book....what do you do with it??? Its in the spare bathroom.

...but somehow I am not. I kept repeating "Oh NO..." every time I turned the page, then laughing like crazy. This book is ridiculous, absurd, pointless, awful, and completely hilarious. Five stars.
