Misadventures Of Salem Hyde: Book One: Spelling Trouble (The Misadventures Of Salem Hyde 1)

Synopsis

Salem Hyde just isn't like other kids. For one thing, she's stubborn, independent, and impulsive. For another, she's a witch. Salem acts first and thinks later--which means most of her thinking involves coming up with excuses! Good thing she's been assigned an animal companion, Lord Percival J. Whamsford III. This over-anxious cat doesn't like Salem calling him Whammy, and Salem doesn't like listening to his long-winded explanations as to why she shouldn't do something . . . like enter the class spelling bee. Salem knows she can beat all her classmates at spells, no problem. Too late, she realizes the competition is about spelling words, not magic. And there's nothing like a misspelled spell to cause all kinds of havoc!

Customer Reviews

My daughter's name is Salem so when she found a series with her name in it at the library she was hooked! She asked for the whole series for Christmas so that is why I bought them. They are written kind of like a comic book, not the traditional chapter or story book. so just FYI. I haven't not read the stories myself but she is 6 and does just fine with them.

Salem Hyde is a new character on the young reader scene, and this book has wonderful characters, a fun, dramatic problem and a great lesson to be learned. The interactions between Salem and his new "counsel" are hilarious. My kids really enjoyed reading this book, right after I finished it myself!

Salem is a witch and she needs help with spelling and spell casting she entered a spelling bee she thought it was a spell casting contest she found out it was spelling and she couldn't back out she cast a spell that made misspelled words appear in the real life form she hurried to fix her mistakes with glue before the principal saw and she did

Very enjoyable. It's not often you see a graphic novel that's so focused on situational humor, but here it is. Will look for more "Salem Hyde" books in the series.

A graphic novel. My third grade granddaughter absolutely loved it!

Very good book I would definitely recommend it. We can't wait for the other book to come out. The kids also love the other books that this author has "knights of the lunch table" those are great books!

We love reading this as a family. My kinder and 4th grade sons are always entertained.

Absolutely, too cute. Glad to know all 'Witches' do not have it together. tehe!
