Bob Goff is the founder of Love Does, a nonprofit organization that operates schools and pursues justice for children in conflict areas such as Uganda, Somalia, Iraq, and other countries. Bob is a lawyer and serves as the honorary consul for the Republic of Uganda to the United States. He is an adjunct professor at Pepperdine Law School and Point Loma Nazarene University and lives in San Diego with Sweet Maria, their kids, and extended family.

The study guide added a little more Biblical depth to the book alone. But we found that the videos were sometimes a word for word repeat of the book chapter contents. The Biblical texts that the guide had us read were useful, but it seemed a little like an afterthought to the original book (which was a great read by itself).

Nicely written, an easy read with tons of practical lessons that apply to everyday life. Bob Goff has a remarkable gift that helps him help tell stories to which we can all relate. His "I used to think" introduction to each chapter guides the reader through personal reflection. His follow through gently and often humorously demonstrates the fallacy in commonly held beliefs. Highly recommended!

Bob Goff is amazing. I am using his book and study book to teach a class at church. Book is easy to read, humorous and thought provoking. I love it as does everyone in the class.

Wow! Our bible study really enjoyed the book. I especially loved the challenges each week. They were easy to do with a mighty impact personally. Bob, I hope one day I will be able to hear you speak. Thank you for putting Love Does to pen.

This book is an upbeat set of Christian stories each with a message of Jesus at the end of the chapter. It is a nice bedside read. After reading the book I felt empowered to be bolder in my life like the author of this book. I hope you enjoy it too.

Bought this after seeing an interview of Bob Goff. Really encouraging perspective on life.

This book is written by an amazing man. He makes you feel the Joy of God In Doing not by sitting there but by action. Nothing is too big a project just put your listening ears on, put your palms up and ask God what He wants you to do than do it. I would love to meet this man for you can feel his love for God, and his faith in us that we like Jesus apostles can do what ever God wants us to do. Thank you for writing this book.
