# Cambridge IGCSE® Geography: Student Book (Collins Cambridge IGCSE ®)

## Synopsis

This is an investigative approach to Cambridge IGCSE Geography, written in partnership with the Geographical Association. Encourage students to make links between case studies and their own local contexts as well as exploring the core themes and skills of the 0460 syllabus in the context of global case studies and processes. Prepare for exam success with full coverage of the core themes of Paper 1 (Population and Settlement, The Natural Environment, Economic Development, and the Use of Resources), as well as the geographical and fieldwork skill elements of Papers 2, 3, and 4. Help students focus on achieving the best grades with excellent exam support for each Paper, with exam-style questions, answers at different levels, and accompanying comments. Be confident in the content and approach—this resource is written by highly experienced Geography teachers, consulted edited by a CIE Principal Examiner, and produced in partnership with the UK Geographical Association—the home of best practice in Geography teaching.
